Jack D. Coleman, Member  
David L. Miars, Member

**FOR IMMEDIATE RELEASE**  
**February 24, 2022**

**CONTACT: John W. Lindsey, Managing Director**

## **SEASONAL SPEED AND WEIGHT RESTRICTIONS**

The Board of County Road Commissioners of the County of St. Joseph will impose seasonal speed and weight restrictions on all county roads, under its jurisdiction, with the exception of "All Weather" routes, listed below. These restrictions go into effect Tuesday March 1, 2022 at 6:00 a.m. and will remain in effect until further notice.

Seasonal speed and weight restrictions reduce normal truckloads by 35% and the speed to 35 MPH, depending on truck size and axle spacing. The 35 MPH speed restriction also applies to empty trucks if they weigh over 10,000 lbs. Agricultural commodities must adhere to the reduced speed, however no weight reduction required.

County roads will be patrolled by certified weigh masters, and those violating the restrictions will be subject to fines. Special permits for designated routes during frost laws will be required. Gravel roads are not subject to Frost Laws.
