Motion by Commissioner Chupp seconded by Vice-Chairman Shafer to approve the 2022 Board Meeting and Work Session Calendar of the St. Joseph County Road Commission Board of Commissioners. Motion carried

Commissioners Comments:

Coleman: He did some research on weight limits on the Covered Bridge and it was suggested we install a sign indicating one vehicle at a time allowed on the bridge.

Chupp: Following the discussions on the current 2021 budget and the proposed 2022 budget he feels that our deficit spending was good despite the amount of work we were able to complete in 2021. Several years ago, he did an analysis on another business to demonstrate overspending practices. Good job on what the road commission has been able to accomplish.

Shafer: Thank you to John Lindsey for presenting a draft 2021 amended budget and draft 2022 proposed budget. It is nice to have these numbers to review before approving at the Budget Hearing later this month.

Allen: Thank you to the board for their confidence in me and submitting a letter of recommendation to the County Board of Commissioners.

Meeting adjourned at 5:50 pm.

David H. Allen, Chairman

Julie Mayuiers, Clerk of the Board
