Citizens Comments:

Luis Rosado: Regarding the camera's you may want to develop a policy or procedure to put in place for what is expected of the employees. Like you can't put your hat over them or tamper with them, things like that. Also, how FOIA will play into that. Garrett don't forget to send me an update if you'd like me to present something at my meeting next week.

Commissioner's Comments:

Rea: I'm satisfied, I've said everything I need to.

John: Good meeting, I appreciate the progress that is being made and being updated.

Dave: John & Rea both know on Facebook I get a lot of comments about the county. There was one about the Covered Bridge and how around it looked like crap. When I came back across the bridge, they were out there grading, cleaning up around Schweitzer. The guys are doing one heck of a good job. I didn't see anyone standing around, they were all busy busy. I'm very proud of them, if fact I commented to Brittany that we have one heck of a good crew.

Vince: nothing today

Rodney: I appreciate all the good work that gets done around here.

Meeting adjourned at 5:52 p.m.
