Motion by Commissioner Mifsud seconded by Commissioner Chupp to approve the agenda and Consent Agenda of May 19th Work Session as presented. Motion carried.

Discussions on the Recognition Award Program tabled until next meeting.

Commissioners Comments:

Coleman: He has commented on a couple of Facebook comments. Asked about holding an Open House on a Friday when we are closed so the public could come in and see our facilities and garages with John and Garrett. Cass County contracts out their culvert installations and he asked if we could see about getting the job of installing them for them.

Chupp: He was thinking about the long tenures on the list of nominees. Some people cast long term benefits and we have reaped from this hard work. There is lots of wisdom in the long-term planning. Taking the time to hand down why we did what is good history to have. He is proud of what we are doing. He attended the Parks and Recreation Board meeting earlier today. They are having issues with vandalism after the parks are closed and asked everyone if they see lights on or things going on at the parks after hours to please contact the Sheriff Dept.

Mifsud: Impressed with the number of years the nominees have been affiliated with the road commission.

Allen: Encouraged the commissioners to keep coming up with names for the Recognition Award Program. He appreciates the other commissioners attending township and board meetings of other entities. He is hearing that the public views the commissioners in more of a positive light than in the past.

Meeting adjourned at 6:40 pm

David H. Allen, Chairman

Julie Mayuiers, Clerk of the Board
